New Diamondhead G.M. 2010 #9

ERIC MARKLE, who calls Russellville his home town, has been selected as the General Manager for Diamondhead. He holds a B.S. in Hospitality Administration from Arkansas Tech. In addition to numerous restaurant management credentials, Eric has golf resort experience. Getting his feet on the ground running, Eric participated in the tournaments over the weekend where he met several residents.

He said he is a bit reluctant to have the title General Manager because "it is all about us doing this together." "I am bringing 26 years of knowledge here in food service, construction, and golf. With the team effort I see out here, we are just going to keep making it better," said Markle, "there aren't going to be any big changes, just improvements," he continued. Now that Todd is wearing one hat (most of the time) he will have more time to focus on tournaments. Eric's expertise in food service and catering will allow us to host diverse events and more profitable tournaments.

Meet ERIC MARKLE Sunday, October 10th from 3-5 p.m. at welcome reception in the clubhouse. (excerpts from the Sentinel-Record)

BRIAN BELZ a DIAMONDHEAD HERO

Patriot Day is a day sanctioned by the PGA & USGA when golfer's have the opportunity to participate in a cause that provides support to military dependents of those men and women who gave their lives or were disabled serving our great nation. The cause is called "The Folds of Honor Foundation."

The Diamondhead Community took on this challenge and stepped up to the tee. Collecting \$5,500.00 through pledges for a job well done. Brian Belz, son of DH Golf Pro, Todd Belz, son of Laurie Belz and sister to Hannah, he did the work for all just for fun. What started in the dark at 4:00 a.m. ended 11 hrs and 40 mins later. Brian had accomplished his 252 holes as promised, he did it his way. Brian was a little fatigued but had a smile for all as he raised his hat to the cheers he received. Thank you Brian you are a very special young man and we all appreciate you in so many ways. You did GREAT!!! We will see you next year. Thank you to all the volunteers who worked. A special thanks to Brian's family, Don Smith, Kevin Woodrow, Angela Coldewey and Ron Perisho who stumbled. It is a good cause.

Listed below is Brian's incredible stats for the day...

Start time 4:00 a.m. Finish time 3:40 p.m..... 11 hours and 40 minutes

Average score for 14 rounds was 76

In the dark the first round being his highest at 83

His lowest in daylight was a 69

He eagled #9 on one of the rounds

**Friends of the
Library**

An organizational meeting of the new Friends of the Library was held at the home of Vicki Schanlaber with 16 in attendance. The first order of business is to raise funds to have additional shelves built in the library to match the existing shelves. The top two levels of the existing shelves are too high for practical usage. There will be a donation box placed in the 19th hole. Anyone who enjoys the convenience of having a small Library in Diamondhead is encouraged to make a donation. Due to the shortage of shelf space the library is not accepting any new books at this time—only returned books. Please save your new books for the time we can accept them—hopefully soon. The next meeting will be Monday, October 18th at Vicki's home. Submitted by Barbara Schenke, Volunteer Librarian

Beautification to Decorate

I'm sure you have noticed that the gate decorations around the fountain change with the seasons. This is all due to the diligent work of the Beautification Committee. The committee put a lot of time and money into the entry of the clubhouse and it looks wonderful. But, like all projects tend to do, they have depleted their funds. Plan on cooking a donation for the annual **BAKE SALE. November the 18th** at the club there will be loads of food and a great time.

Quilters & Care Caps

Quilters started back up in September and meet every 2nd Thursday. Donna Henry is teaching a pattern called "X Marks the Spot" but you can bring your own project.

Meeting are from 9 a.m. until 3 p.m. in the large room at the Club, ordering lunch from the 19th Hole. Beginner & experienced quilters are welcome.

Care Caps will be meeting again on October 12 at 9 a.m. (until 2 p.m.) at Fellowship Hall of Diamondhead C. Church. The Men's Prayer Breakfast group will provide lunch for us, free-will offering accepted. Sewers and non-sewers are invited to attend, there's a job for everyone! It's a very worthwhile project & you will feel rewarded by participating. This is NOT a church but a community outreach project. Care Caps are primarily for cancer victims under going chemo & losing their hair. The caps are GIVEN through hospitals and cancer centers.

PUBLIC NOTICE

Lake Catherine Waterworks and Sewer Facilities Board of Garland County

The Lake Catherine Waterworks and Sewer Facilities Board of Garland County is giving public notice of their intent to file an application for financial assistance with the USDA Rural Development Authority. The proposed project hopes to secure loan funds with which to purchase the water and sewer facilities now belonging to Riviera Utilities of Arkansas, Inc., and to operate those facilities for the benefit of the residents of the Diamondhead Community. This project will benefit Diamondhead residents and users in both Garland and Hot Spring Counties.

There will be a public meeting at 7:00 P.M. on November 9th, 2010 at the Clubhouse at Diamondhead, 245 Independence Drive, Hot Springs, Arkansas 71913. Information will be provided about the proposal and comments may be given concerning the project and any potential economic or environmental impact.

From Mary Griffin: I had neck surgery on July 29 and stayed thru rehab and released on August 27. I have missed out on a lot from Diamondhead and just now getting to my emails. I want to praise our community and my church, Diamondhead Community Church. I received visitors, cards, calls and lots of prayers. Thank you all for caring. From me to you: keep your mobility going, you don't know how important it is until you get in my position. Thank you everyone.

The Diamondhead Lions Club has changed the meeting times from those of the past. The business and dinner meeting now meet at the same time and date, with the business meeting starting at six (6) o'clock pm on the third Tuesday of each month and the dinner meeting to follow immediately upon completion of business. Meetings are scheduled for the main room in the POA Clubhouse. The October meeting is on the 19th and the November meeting is on the 16th.

The Club-sponsored Bingo games are also scheduled at the same location, and are held on the first and third Saturday of each month. Card and 'pull-tab' sales start at five o'clock pm with the first game beginning at six o'clock. See you there. By Allen Bedell The Christmas for Kids tournament had a great turnout. 34 teams of 4 played on Saturday raising money for this worthwhile cause.

The 3rd Annual Swinging with the Angels hosted 14 teams. Benefiting the Guardian Angel Cat Shelter in Indian Hill Shopping Center, over \$2000 was raised. Barbeque dinners were prepared by B & B (Bob & Bill or Bill & Bob) following the tournament. This note from Barbara Schenke: "The shelter is a wonderful facility all manned by volunteers and funded by their thrift shop, fundraisers and donations. If you get a chance come by and see the facility--Diane Jones & I are there every Tuesday and we'd love to show you around. We need some caring and responsible people to adopt some of our beautiful, homeless cats."
